

Press Release

Avago's counterclaim against PixArt's complaint for declaratory judgment.

Issued on: 2010/4/7

With respect to PixArt's complaint against Avago (Avago Technologies General IP (Singapore) Pte. Ltd., Inc., Avago Technologies ECU IP (Singapore) Pte. Ltd., Inc., Avago Technologies USA, Inc.) for declaratory judgment in Northern California district court (To confirm whether the optical pseudo trackball is a product within the scope of Patent License Agreement executed dated 2006/07/13 between PixArt and Avago.) Avago counterclaims and alleges PixArt's breach of such Patent License Agreement.

The lawsuit is still in process, and does not have final decision yet. However, PixArt estimates that this counterclaim shall not have substantial impact on PixArt's finance and business.
